BEHAVIOR GUIDELINES

1. People will be watching you. We are confident that you will be mature, responsible, and polite. You will be seen and conversations will be heard at the stadium, at the hotel, at the parks or restaurants. Represent your school with dignity and class.
2. Stay with other members of our group and do not wander off alone at any time. Keep a form of identification with you at all times and be sure you have your chaperone's cell phone number.
3. You will be advised as to what to wear for the parks, at the hotel, for the awards, and free time. No shirts with questionable or inappropriate sayings, etc.
4. Bring one suitcase and one carry-on bag for the trip. Both will need name tags. In the carry on, include sweatshirt/sweatpants. It can get cold on the bus.
5. Each student is responsible for uniform bag, black band duffel bag, instrument, and luggage. Don't forget to pack one maroon t-shirt, your To The Moon t-shirt, and maroon band polo.
6. On the bus, appropriate movies can be shown. Chaperones will help with this. Also, use headphones to listen to music. Be courteous and respectful of your driver and refrain from shouting or any loud activities. Keep portable electronic devices out of sight and packed away when not in use.
7. Respect chaperones, drivers, and band staff. Without them, we cannot take trips like this one.
8. At the hotel, respect the rights of others who are also staying at the hotel. Be polite and concerned that you are not too noisy for a neighboring room above, below, or beside you. Go to your room only. Curfew time means that you are to remain in your room until morning wake-up call. NO EXCEPTIONS. Hotel staff & chaperones will check your room at check-out time. Be sure to leave your room in good condition.
9. Respect time lines and deadlines, especially if you are asked to report to chaperones at a specific time. If you are asked to be somewhere at a certain time, BE THERE. No excuses...this rule may affect the band ever taking another trip.
10. No smoking, alcohol, or illegal substances. THIS IS VERY SERIOUS and will demand school as well as legal action. Don't make this mistake because there can be no leniency.
11. Students will be held accountable for their actions, including care and respect for buses, hotel rooms, equipment, and other people's personal property.
12. Have a good time and remember...if you have second thoughts about it, don't do it. Your first hunch is usually your best course of action.
